CLUB NEWS:

- February has been an exceptional busy month with hosting two National events (mens Fours and Mixed Pairs) and Maori bowls. Eight full days in total. These events can only be successful if we received assistance from several members which we are pleased to say we did. A special thanks goes to all those who assisted with some spending long hours on some days, especially on the Nationals Events. Several favourable comments about the greens, facilities etc have been received. So, well done and a big thank you from the Board.

MEMBER UPDATES:

- If any member hears about another member becoming sick or having an accident, could they let the Almoners Marie Hepi and Mere Gillies know please. They are very good at keeping in touch with these members, but they can only do this if they know about them.
- If any member has anything to put in the monthly bulletin, please let us know

OPPORTUNITIES TO BE INVOLVED IN CLUB LIFE:

- If anyone sees anything that might need some attention (repairing etc.) can they please put it in the book that is placed near the entry forms. It would be useful for anyone using this book to identify who they are in case more information is required. Alternatively, they can approach a Board member.
